

PIXEL PANDA

About us

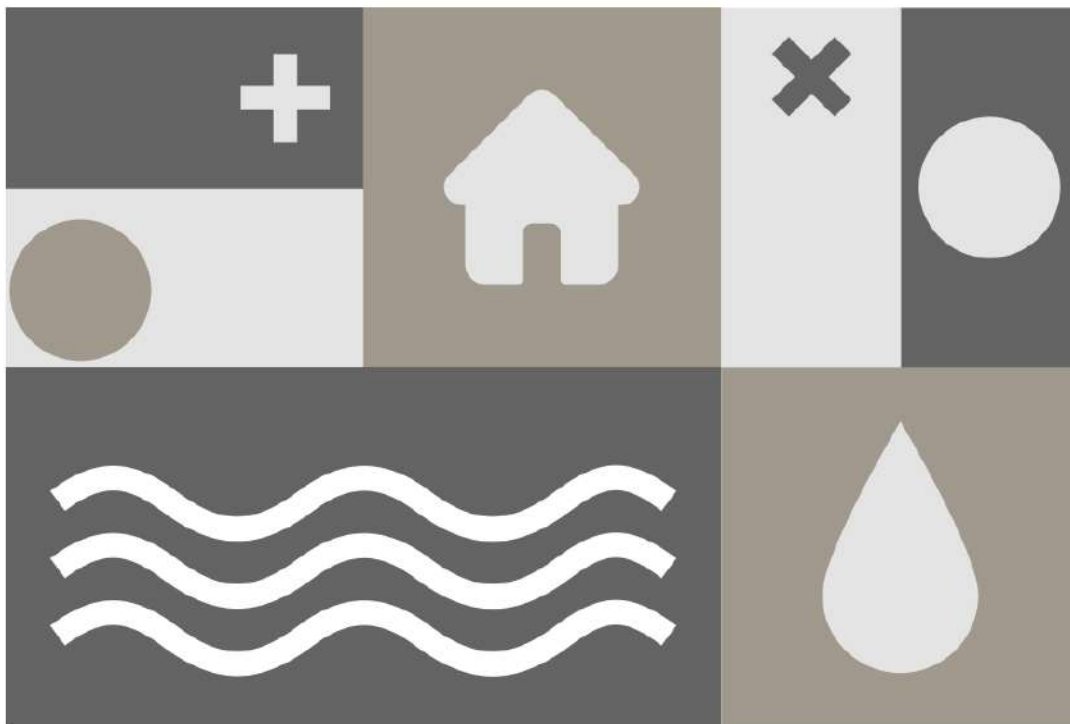

Pixel Panda is a company having offices in Ahmedabad & Vadodara. We are associated in fields of **Digital marketing, Graphics, branding & Interior solutions.**

Talking about interiors we have been previously named Interio Vision which was more than 5 years old company providing only 3d interior solutions. We have been actively working in this field & have catered to **more than 50 clients** providing 3d, 2d drawings.

We have also been working closely with architects from Vadodara.

We try to provide interior designs which have a human touch & cater to our clients' needs.

PIXEL PANDA

SIMPLE HALL DESIGN

A simple yet rich hall design featuring neutral tones of white, cream and beige paired with warm wood accents in furniture. Large windows allow abundant of natural light.

PREMIUM DESIGN

A premium, modern bedroom design features a sleek, minimalist aesthetic with high quality materials. A plush upholstered bed in neutral tones serves as centre piece, complemented by light fixtures

MODERN HALL DESIGN

A modern hall design using blue, white and grey creates a calm, sophisticated atmosphere. The walls are painted in a crisp white, providing a clean backdrop.

	
	SIMPLE KITCHEN DESIGN A simple kitchen design with use of only white and wooden colors for that rich look
	
	

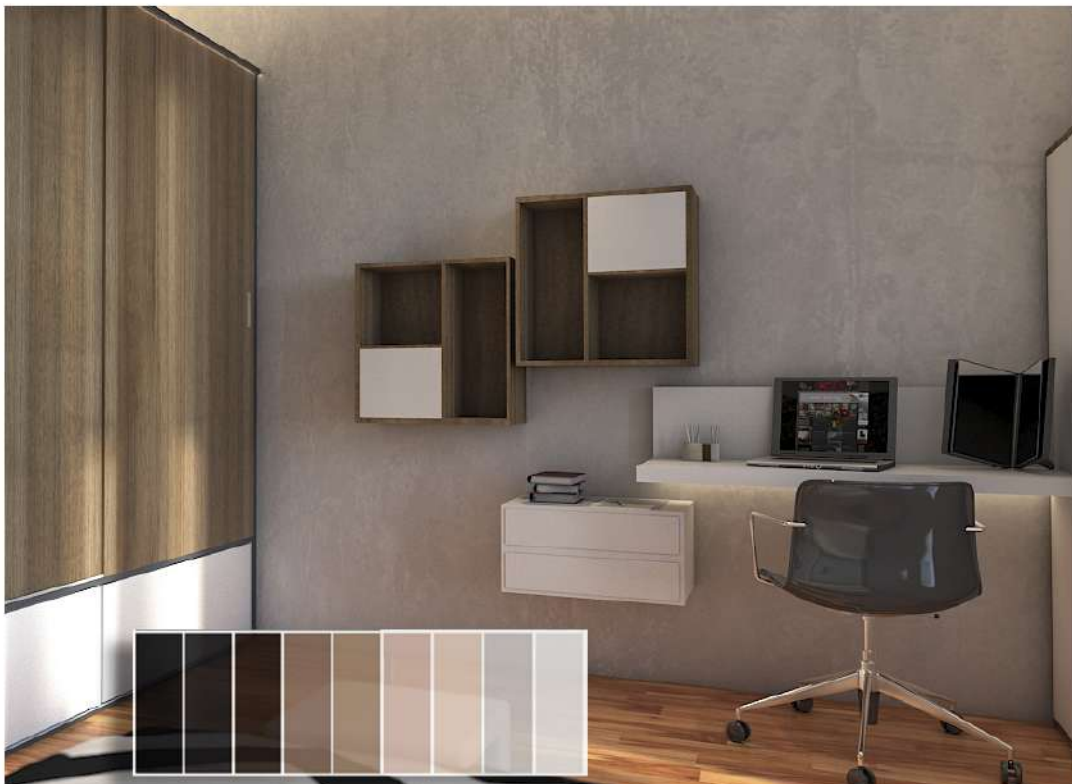

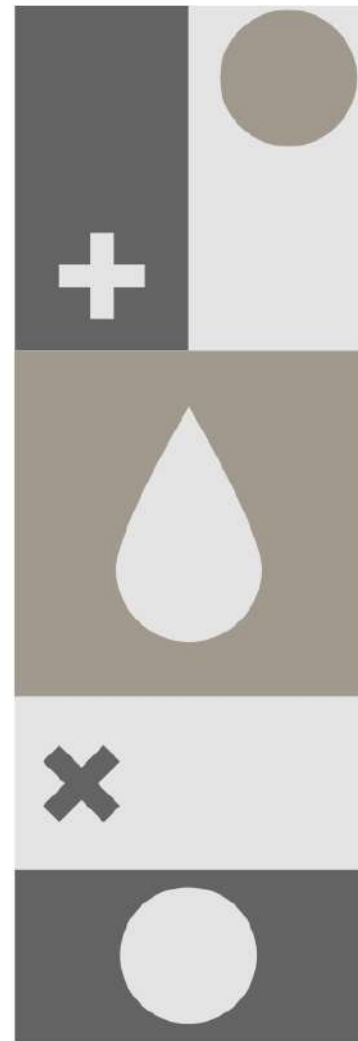

NEW HOME DESIGN

A modern bedroom design for youngsters blends fun, functionality and style. The space features bold headboard, paired with versatile storage solutions. Bright and playful accents
